ample of a historic house museum that addresses those questions and associated solutions head-on Most of the historic house museums cited as examples for one section could be used to as examples for any or all of the sections In fact, in preparing this leaflet, it was ...

Engaging Millennials in the Historic House Museum

House museums typically do not have the capacity to showcase traveling exhibits, and the missions and operating nature of house museums often limit exhibits to the stories told by the houses' previous residents. Despite these limitations, items in collections can be re-contextualized to provide new insights into old stories and settings.
