Biology Revision - PMT

However, overall, at least 15% of the marks for an A-level Biology qualification will require the assessment of practical skills (AQA A Level Biology Specification 7401/7402). So, using this workbook to get to grips with this difficult style of question can considerably improve a students grade, and typically be the difference between getting an A* instead of an A, or an A instead of a B.

A* A Level Biology Revision - Teaching Resources - TES

make at least three streaks from A to B. Then turn the Petri dish through a quarter turn and repeat from B to C, C to D and finally D to E. Each new set of streaks should pass through the tail end of the previous set. The final set of streaks should not touch the first set. 7. Flame the loop again before putting it down.
