There is no question that traveling to the Middle East irrevocably changed the course of my life. The differences between my value system and the worldviews of the various Egyptians, Palestinians, and Israelis I interacted with made me hungry to understand them. What influenced their thinking, and what factors shaped their outlooks on life?

### **Breaking Cover: My Secret Life in the CIA and What It ...**

The answer came when Michele faced a life-or-death choice - one that had secretly been the plan for her all along. In *Breaking Cover*, Michele has at last been cleared to drop cover and tell her story: one of incredible struggle; of thwarted plans and expectations; and most of all, of discovering a faith greater than all her fears.

## **Breaking Cover - LifeWay**

Just my opinion saying Breaking Cover is  
an honest look at a woman's struggle  
and fight to success. The book is very  
well written and easily read. Sometimes  
I felt I wanted way more detail only to  
realize that much of the detail I'm used  
to seeing in novels most assuredly can't  
be described in this memoir.
