Romance y aventura, desde los tiempos de la Segunda Guerra Mundial, cuando la joven Kate se enamora perdidamente de un intrépido aviador. Desde la noche que lo conoció, en un baile de sociedad en diciembre de 1940, Kate Jamison supo que Joe Allbright había entrado en su vida para no salir nunca más. De inmediato se sintió atraída por aquel famoso aviador mayor que ella, en quien adivinó a alguien especial, poco corriente, brillante y lejano a un tiempo, como una estrella. En los meses que siguieron a su primer encuentro, un vínculo se fue estrechando entre ambos, tan fuerte que ni el estallido de la guerra, ni las peligrosas misiones de Joe bajo el cielo de Europa, ni la oposición de la familia de Kate podrían romper. Pero, al acabar la guerra, Kate tuvo que aceptar que su deseo de casarse y formar una familia no tenía cabida en la vida y los sueños de Joe, cuya auténtica pasión era volar. Debía tomar

una decisión, encontrar su propio camino... sin saber que nadie puede escapar a su destino.

Against a vivid backdrop of history, Danielle Steel tells a compelling story of love and war, acts of faith and acts of betrayal...and of three generations of women as they journey through years of loss and survival, linked by an indomitable devotion that echoes across time. For the Wittgenstein family, the summer of 1915 was a time of both prosperity and unease, as the guns of war sound in the distance. But for eldest daughter Beata, it was also a summer of awakening. By the glimmering waters of Lake Geneva, the quiet Jewish beauty met a young French officer and fell in love.

Knowing that her parents would never accept her marriage to a Catholic, Beata followed her heart anyway. And as the two built a new life together, Beata's past would stay with her in ways she could never have predicted. For as the years pass, and Europe is once again engulfed in war, Beata must watch in horror as Hitler's terror threatens her life and family—even her eighteen-year-old daughter Amadea, who has taken on the vows of a Carmelite nun. For Amadea, the convent is no refuge. As family and friends are swept away without a trace, Amadea is forced into hiding. Thus begins a harrowing journey of survival, as she escapes into the heart of the French Resistance. Here Amadea will find a renewed sense of purpose, taking on the most daring missions behind enemy lines. And it is here, in the darkest moments of fear, that Amadea will feel her mother's loving strength—and that of her mother's mother

before her—as the voices of lost loved ones echo powerfully in her heart. And here, amid the fires of war, Amadea will meet an extraordinary man, British secret agent Rupert Montgomery. In Colonel Montgomery, Amadea finds a man who will help her discover her place in an unbreakable chain between generations...and between her lost family and her dreams for the future—a future she is only just beginning to imagine: a future of hope rooted in the rich soil of the past. With the grace of a master storyteller, Danielle Steel breathes life into history, creating a bold, sweeping tale filled with unforgettable characters and breathtaking images—from the elegant rituals of Europe's prewar aristocracy to the brutal desperation of Germany's death camps. Drawing us into a vanished world, *Echoes* weaves an intricate tapestry of a mother's love, a daughter's courage...and the unwavering faith that sustained

them—even in history's darkest hour.

Danielle Steel celebrates families of every stripe in her compelling novel—a tale of three very different couples who struggle and survive, love, laugh, and learn to take life . . . Coco Barrington was born into a legendary Hollywood family. Her mother, Florence, is a mega-bestselling author. Her sister, Jane, is one of Hollywood's top producers and has lived with her partner, Liz, for ten years in a solid, loving relationship. Florence, widowed but still radiant, has just begun a secret romance with a man twenty-four years her junior. But Coco, a law-school dropout and the family black sheep, works as a dog walker, having fled life in the spotlight for an artsy Northern California beach town. When Coco reluctantly agrees to house-sit for Jane, she discovers an unexpected houseguest: Leslie

Baxter, a dashing but down-to-earth British actor who's fleeing a psycho ex-girlfriend. Their worlds couldn't be more different. The attraction couldn't be more immediate. And as Coco contemplates a future with one of Hollywood's hottest stars, as her mother and sister settle into their lives, old wounds are healed and new families are formed—some traditional, some not so traditional, but all bonded by love. With wit and intelligence, Danielle Steel's novel explores love in all its guises, taking us into the lives of three unusual but wonderfully real couples. Funny, sexy, and wise, *One Day at a Time* is at once moving, thought-provoking, and utterly impossible to put down.

powerful it could never be broken. It is about finding the courage to let someone you love fly free... The phone call came on a snowy December afternoon. Kate was certain it was Joe, the brilliant, visionary man who had been her soulmate, her driving force since the night they met, almost thirty-five years before. What she got was the one call she had never wanted, and didn't expect. As the snow continued to fall, Kate's mind drifted back, to the moment when she and Joe first met. She had been just seventeen and he was young, powerful, dazzling, and different from any man she'd ever known. It was just days before Christmas, 1940. The war is raging in Europe when Kate Jamison makes her debut in New York City. In a room filled with the scions of East Coast society and the leading political figures of the day, it is Joe Allbright who catches Kate's eye. At twenty-nine, Joe is the brilliant protege of Charles

All Kate sees is a tall, strikingly handsome man who seems at once awkward and larger-than-life, like a shining star- just out of reach. Joe, too, is caught off balance by his response to Kate, seeing in this beautiful young woman vitality and youth, the lifelong soulmate he never expected to find. As the months pass, they will meet again, forging a bond that will set the course of both their lives. Kate will go off to study at Radcliffe. Joe will skyrocket to fame in modern aviation. Joe's planes are his life, his passion. But irresistably drawn to her, moth moth to flame, he always comes back to Kate. Even after the long dark years of World War II, when Kate was sure she had finally lost him completely, Joe returns. Never willing to stay, always needing to fly away. passion in her life. When the war is over, at twenty-four Kate wants marriage and a family. Joes wants the world, his limitless horizon, and the unique aviation empire he is building. Unwilling to wait any longer, Kate moves on with her life. But when a chance encounter brings them together again, the time has finally come to make a choice, one that will have profound consequences for them both for the rest of their lives. Against a vivid backdrop of war and thrilling innovation, Danielle Steel breaths life into history, weaving an intensely human story that spans three decades, of two intensely different people who, in spite of themselves, are irrevocably woven into the fabric of each other's lives. With rare insight and emotional power, she brings to life a tale of unconditional love, sacrifice, and compromise. The joinging of two remarkable halves into a single far more powerful whole.
