The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads (These are the times that try men's souls.¶ This book is part of the Standard Ebooks project, which produces free public domain ebooks.

When the American Revolution arrives in Thomas Strong's sleepy Long Island village, his life is turned upside down. His church becomes a fort for the British, and a company of Redcoats are quartered in his family's home. But worst of all, his father is arrested as a traitor and taken away. It's no wonder that Thomas's mother seems to have been affected in the head. She washes and rewashes handkerchiefs and petticoats so that her clothesline is continually full of laundry. The errands on which she sends Thomas are not only peculiar but dangerous, since they take him right past a Redcoat encampment. At first Thomas doesn't know what to make of his mother's behavior, but as he keeps his eyes and ears open, he begins to suspect that things are not necessarily as they seem. Katherine Kirkpatrick's captivating story is based on the Culper Spy Ring, which operated on Long Island and in Connecticut from 1778 - 1783. Its purpose was to send messages to General George Washington about the activities of the British Army in New York City. Ronald Himler's dramatic watercolor illustrations bring this pivotal period of U.S. history to life for contemporary readers. Katherine Kirkpatrick grew up near Setauket in Stony Brook, New York. She first learned of Anna (Nancy) Strong's role in the Culper Spy Ring from Strong's great-great-granddaughter, Kate Strong, whom she interviewed for a fourth-grade project. Kirkpatrick has published eight books for children and young adults, both fiction and nonfiction. She lives in Seattle, Washington. Visit her at http://katherinekirkpatrick.com . Ronald Himler has illustrated over a hundred books for children. His paintings also appear in art galleries throughout the Southwest, where he is highly acclaimed for his portraits of the Plains Indians. He lives in Tucson, Arizona.
