Bonds are long-term lending agreements between a borrower and a lender. For example, when a municipality (such as a city, county, town, or village) needs to build new roads or a hospital, it issues bonds to finance the project. Corporations generally issue bonds to raise money for capital expenditures, operations, and acquisitions. The selling price [|]

Change up your investment strategy. Diversify with bonds! Stock, bonds, mutual fundsare all of these elements really necessary in your investment portfolio? Yes! Investing in Bonds For Dummies introduces you to the world of bond investmentand equips you to diversify your portfoliothrough the concise and approachable presentation of the details surrounding this form of investment. This engaging text offers a clear, yet thorough take on the background of bond investment, helping you understand why it's such an important part of a well-rounded portfolio. Additionally, the book explores bond returns, risks, and the major factors that can influence the performance of bonds. When it comes to diversifying your investment portfolio, most financial advisors recommend a strategy that mixes high- and low-risk options, allowing you to protect your investment without being too conservative. Depending upon your age, financial goals, and other key factors, the percentage of your portfolio made up of bonds may vary; however, it's safe to say that bonds will play a role in your investment strategy. Understand how to buy and sell bonds and bond funds, and why it's important to do so Measure the returns and risks that different bonds have to offer, preparing yourself to make educated investment decisions Diversify your investment portfolio by adding bonds to the mix Avoid common investment mistakes when navigating the world of bonds Investing in Bonds For Dummies can keep your investment portfolio from getting stagnant by showcasing why diversification with bonds is essential to a successful investment strategy!

Every book is written with a certain reader in mind, and this book is no different: You may have some investments, but you're looking to develop a full-scale investment plan....You'd like to strengthen your portfolio....You want to evaluate your investment advisor's advice....You have a company-sponsored investment plan, like a 401(k), and you're looking to make some decisions or roll it over into a new plan....If one or more of these descriptions sound familiar, you've come to the right place.
