Classic Books Library presents this brand new edition of ¶The Federalist Papers¶, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. ¶The Federalist¶, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755¶1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

A reference manual for all immigrants looking to become citizens This pocket study guide will help you prepare for the naturalization test. If you were not born in the United States, naturalization is the way that you can voluntarily become a US citizen. To become a naturalized U.S. citizen, you must pass the naturalization test. This pocket study guide provides you with the civics test questions and answers, and the reading and writing vocabulary to help you study. Additionally, this guide contains over fifty civics lessons for immigrants looking for additional sources of information from which to study. Some topics include: · Principles of American democracy · Systems of government · Rights and representation · Colonial history · Recent American history · American symbols · Important holidays · And dozens more topics!

Prepare for the civics questions on the U.S. citizenship test. This citizenship book focuses on the 100 official questions announced by the immigration and naturalization service. The aim of this book is to make studying for the citizenship exam both easy and fun. Take this convenient book with you to practice the official questions and answers that you may be asked by the interviewer. To make studying both easy and fun, the questions are presented in graphical flash card images on each page, with the question on one page and the answer on the following page.

PASS THE U.S. CITIZENSHIP TEST - A QUICK AND EASY PRACTICE GUIDE U.S. Citizenship Test Practice (Vietnamese - English) includes: Part 1. Vietnamese and English (civics): All 100 USCIS civics questions and answers in a new, easy-to-read bilingual format; All 20 civics questions (bilingual) for Permanent Residents over 65 years old; Part 2. English: Flashcards to practice all 100 questions and answers; Civics Practice Test; Reading and Writing Vocabulary Lists (USCIS Recommended); Helpful U.S. Government Addresses, Phone Numbers and Websites for more information. Recommended for U.S. Naturalization. Note: for ESL-EFL Teachers This U.S. Citizenship Test Practice series includes an English-only edition as well as four bilingual editions with all 100 civics questions in English side-by-side with Spanish, Chinese, Korean or Vietnamese for easy study and practice. This is a useful series for teachers who are preparing adults for citizenship, particularly in multilingual classrooms.

"This book is an optimal tool for instructors and students of graduate classes in social work and related disciplines." --Journal of Immigrant and Minority Health "I applaud social work students, professors, and social workers who seek to serve and empower the immigrant community. This text is a great tool toward raising awareness of the many issues immigrants face, and helping them find solutions." --Frank Sharry, Executive Director, America's Voice "The book is a major contribution to social workers and their clients as it addresses advocacy on behalf of immigrants and refugees during a social, economic and political period that restricts immigrants' rights and service access." --Dr. Diane Drachman, Associate Professor, University of Connecticut School of Social Work Successful social work with immigrants must begin with an understanding of their legal status and how that status impacts their housing, employment, health care, education, and virtually every other aspect of life. Chang-Muy and Congress present social workers with the only book on the market to emphasize the legal aspect of immigrant issues as well as critical practice and advocacy issues. Topics discussed include historical and current trends in immigration, applicable theories for practice with immigrants, policy and advocacy methods, and the need for cultural competence. By providing comprehensive coverage of both the legal and practice issues of this complex field, this book will help social service professionals and graduate students increase their cultural sensitivity and work more effectively with immigrants. Key Features: Covers the latest aspects of the immigration debate and discusses how social workers are affected by emerging immigration policies Discusses special populations such as refugees, elderly immigrants, and victims of international trafficking Includes case studies on the most critical issues immigrants face today: legal processes, physical and mental health issues, employment difficulties, family conflicts, and more Instructional Materials Available! Free to instructors with a verified order of seven or more copies. Email marketing@springerpub.com to request syllabus and PowerPoint slides.
