Covering the essential content and procedures a home care aide needs to know, Mosby's Textbook for the Home Care Aide, 3rd Edition prepares you for success in this rapidly growing field. A clear approach makes the book easy to use and understand, featuring hundreds of full-color photographs and drawings along with step-by-step procedures for skills performed by home care aides. Updated and expanded in this edition are chapters on meeting the client's nutritional needs and on getting and keeping a job. Written by home care experts Joan Birchenall and Eileen Streight, this textbook prepares you for the many types of situations you may encounter as a home care aide. Hundreds of full-color photos and drawings depict key ideas and clearly demonstrate procedure steps. Procedures provide step-by-step, easy-to-understand instructions on performing important skills and tasks. UNIQUE! A cast of caregivers, including a supervisor and four home care aides, are highlighted in scenarios that provide realistic examples of the types of situations you are likely to encounter in the home care environment. Guidelines for Observing, Recording, and Reporting (ORR) are highlighted throughout the text, emphasizing the home care aide's responsibilities for observing and documenting the client's condition and care. Key considerations and reminders are presented in color font to emphasize the importance of performing these actions. Objectives and Key Terms in each chapter focus your attention on essential information. Chapter summaries and study questions review the key points in each chapter. Updated/Expanded Meeting the Client's Nutritional Needs chapter includes the new MyPlate food guide and new nutrition guidelines. Updated/Expanded Getting a Job and Keeping It chapter reflects the job prospects and challenges of today, including the realities of moving between states and differences in certification requirements. Updated equipment photos are included. Evolve companion website includes skills competency checklists and an audio glossary.

This convenient, money-saving package is a must-have for nursing students! It includes Mosby's Textbook for Nursing Assistants, 7th edition and Workbook for Mosby's Textbook for Nursing Assistants.

It is my hope that this text, when properly used will be of great benefit to the individual aide or aide intraining in mastering the required skills that would make the individual a good home health aide. The book has been specially tailored as a teaching tool for home health aides.The book has two sections, the tutorial section one and the practical hands on section two. The second section is a good aide or good training tool for practical demonstartion purposes. For the purpose of understanding only, a home health aide does not have to be a Certified Nurses Aide. As a result this book can be used to train and prepare an individual to function in the capacity of a home health aide. The agency must prepare a set of standardized tests for the aides to ensure that the individual have fully internalized the reaching and traning that they have been put through. This book further addresses the rule and regulation (federal and State) that the home health aide must be familiar with. This book is an excellent tool for the home health aide. I strongly encourage all individual who practice and plans to practice as an aide in the home health field to read this book.

The Home Health Aide Exam Prep 2nd Edition is a bank of more than 400 review questions to prepare for the state certification exam for Home Health Aides. Questions were chosen from all the federal required topics to be taught to home health aides, hence this is a suitable review for every HHA state exam in the United States.

Homemaker/Home Health Aide, 6th Edition is a comprehensive resource designed for use in initial training programs for home health aides, and as a reference in required continuing education courses. The practical applications of procedures required by OBRA are included in each unit. This book is designed to train new individuals entering the field for the first time, and practicing home health aides to be caring, dedicated, and skilled paraprofessionals. The role of the home health aide as a valuable member of the health care team is emphasized. CD-Rom that Accompanies Homemaker Home Health Aide, 6E includes an Overview, Highlights and Summary for each unit, Flash Cards with vocabulary words, Quizzes and Quiz Score Reports. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This is the eBook version of the print title. The eBook edition does not provide access to the test engine that accompanies the print book. "I highly recommend this book because it will be very useful for any candidate writing the MACE. It is comprehensive, practical, and follows the MACE test plan."—Verine J. Parks-Doyle, RN, BSN, MSN, EdD. Covers exactly what you need to know to score higher on your MACE exam More than 100 sample test questions help you gain confidence and decide when you're ready to take the actual exam Includes the popular Cram Sheet tearcard to help you remember key concepts and do extra last-minute studying Exam Alerts identify important information found on the exam Simplifies key medication aide concepts and techniques for easy learning Covers the critical information you'll need to know to score higher on your MACE exam! Discover how the MACE exam works, and the best ways to prepare for it Learn the role and responsibilities of the medication assistant as a member of the healthcare team Master all key medication administration concepts: pharmacology, drug orders, forms, measurements, storage, handling, and more Safeguard yourself and your patients from accidents, mistakes, and other risks Learn today's most effective procedures and techniques for administering medications Understand how medication affects body systems, and how that affects care Review medication's effects on the cardiovascular, respiratory, digestive, musculoskeletal, central nervous, and endocrine systems Understand medications for treating the eye and ear; cancer; and mental disorders MACE is a registered trademark of the National Council of State Boards of Nursing, Inc.
