The Heart Surgery of the Potential Minister of the Gospel, presents a series of lectures by Professor Zacharias Taneë Fomum to Missionaries and would-be missionaries at the School of Knowing and Serving God (SKSG) - The Missionary Training Academy of Christian Missionary Fellowship International, Yaounde, Cameroon. Drawing from his own life experience and spiritual history with God, Professor Fomum, addressing specific co-workers, explained the kind of life and heart God desires and approves in a minister of the Gospel. He emphasized that God is primarily concerned about 'Who' the Gospel Minister is than what he actually does. In The Heart Surgery of the Potential Minister of the Gospel, Professor Fomum emphasised on the fact that the work of the Gospel requires a certain kind of worker - the right kind of worker in order to please and satisfy the Lord of the harvest. It is only work and service from such a heart that can meet God's approval. He taught extensively on the fact that the content and quality of the heart and life of a Minister of the Gospel is a determinant factor of his acceptance, usefulness and impact in the service of God. Holiness, radical repentance and the forsaking of all sins are the expedient attributes and qualifications of a competent minister of the gospel. The Heart Surgery of the Potential Minister of the Gospel is a must read for every Minister and would be Minister of the Gospel who desires that the Lord - the great Physician, should work through the Holy Spirit in him/her to perform the needed surgery that would produce a useful vessel whose life and work can find acceptance before God, bring joy to His heart and receive His approval and commendation. May the Lord through His Holy Spirit use the content of this book to bless many Ministers and would be Ministers of the Gospel exceedingly. Amen.

Una Donna by Sibilla Aleramo Pubblicato per la prima volta nel 1906 e ripubblicato nel corso degli anni in molteplici edizioni, questo romanzo nasce dall'esperienza autobiografica dell'autrice ed è frutto di quei fermenti sociali che portarono alla nascita del femminismo, di cui la Aleramo stessa si sentì parte attiva. Nell'intento di rivelare, per la prima volta, "l'anima femminile moderna," con grande spirito realistico la Aleramo compone pagine di aperta denuncia e di critica sociale, affrontando argomenti come la povertà e l'ignoranza, le differenze regionali, il socialismo e naturalmente la condizione svantaggiosa da cui la donna avrebbe dovuto riscattarsi. La sua immediata fortuna in Italia e nei paesi in cui fu tradotto segnalò una nuova scrittrice, che in seguito avrebbe fornito altre prove di valore, segnatamente nella poesia We are delighted to publish this classic book as part of our extensive Classic Library collection. Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness.
