Divine Names is a unique contribution to understanding life and oneself on a deeper level. It draws on original Arabic literature and on the author's many year of personal practice, teaching, and guiding others on their spiritual paths to healing, to become whole. It focuses on the use of the Divine Names in dhikr, individual meditations, and healing practices. The Sufi tradition centers on the opening of the heart and nothing touches the heart as much as beauty. The author's unique style of writing is coupled with ornamental Arabic calligraphy of each of the 99 Divine Names, making a stunning tribute to this tradition. It will be enjoyed regardless of religious beliefs.

This book takes the reader into the heart of the mystery of the 99 sacred Names of Allah. It is a vehicle for understanding the infinite nature of God, and for discovering the divine potential in every soul. It is also a guidebook for progressing through the stages of the spiritual path and an instruction manual for teachers on how to work with students more wisely, as physicians of the heart. In the process of this voyage to discovery, the reader is systematically exposed to the universal mysticism encoded in the Qur'an and in the classical Sufi traditions, as well as to a modern psychological approach that works with the 99 Names to achieve individuation and wholeness.
