This is a cross-examination-focused text book for a Trial Advocacy or Mock Trial class. As a criminal defense attorney, I am somewhat of a cross-examination nerd. I try to read as many books on the subject as possible. This book is straightforward and contains most all of the conventional wisdom of cross-examination.

The rules about cross-examination aren't as strict as they are for direct examination (when you question your own witnesses). For example, in cross-examination, you can: ask leading questions, and; challenge the other party's evidence (that is, try to show that it's not reliable or correct).

### Sample questions to ask when cross-examining witnesses at ...
