A collection of personal anecdotes, case histories, and reflections notable for their Zen-like quality of absolute acceptance. Remen (Univ. of Calif., San Francisco, Medical School; The Human Patient, 1980) was once a pediatrician and is now a "psycho-oncologist," counseling people with cancer. Her success in that field probably lies in her skills as a listener and her conviction that the ...

KITCHEN TABLE WISDOM | Kirkus Reviews

The style of this collection is gentle, low-key and totally unapologetic for its journeys into the mystical and scientifically inexplicable elements of healing. Remen uses her insights as a wounded healer to demonstrate, through stories, the kaleidoscope of possibilities in human response to a failing body.

Kitchen Table Wisdom - New York University

“Everybody is a story. When I was a child, people sat around kitchen tables and told their stories. We don't do that so much anymore. Sitting around the table telling stories is not just a way of passing time. It is the way the wisdom gets passed along. The stuff that helps us to live a life worth remembering.” — Rachel Remen
