Tweens, teens, and adults who love science will enjoy writing and drawing answers to its prompts, which encourage introspection and dreaming as big as the female scientists who came before them. You'll also find a handy reference section to support STEM-based activities, like geometry formulas, a periodic table of elements, and star charts.

9 Unique Journals for Tweens and Teens | Brightly

Students should be aware that the WHY is the most important part of the answer because it shows thought and consideration. A second template is: The WHAT of the situation, followed by the HOW. The HOW portion of the answer allows students to break down experiences beyond blanket statements. It's more than, "I acted in a scene."

The Drama Journal - The Theatrefolk Blog

About Miracle's Boys. From a three-time Newbery Honor author, a novel that was awarded the 2001 Coretta Scott King award and the Los Angeles Times Book Prize. For Lafayette and his brothers, the challenges of growing up in New York City are compounded by the facts that they've lost their parents and it's up to eldest brother Ty'ree to support the boys, and middle brother Charlie has ...

The Importance of Student Journals and How to Respond ...

Boys who don't read or write as well as we'd like come in all kinds. There's Garrett, who's perpetually in motion, his fingers drumming the desk. He's not focusing on his reading and pokes the student in front of him. He's becoming a discipline problem. There's Jared, who stares into space, failing to fill more than a few short lines with words.

Solution-focused therapy is based on the premise that client goals and solutions are more important than problems the client depicts in sessions. The miracle question technique is used in the first session to help the client construct and consider a future without the problem: "Suppose that one night, while you were asleep, there was a miracle and this problem was solved.
