Randall Rm20 Head - perfect traveling rig. Just had to share. I was looking for a high quality sounding but portable amp head and cabinet. I have lots of Randall MTS stuff for recording but it is difficult to move around easily. I checked online and saw that Randall now makes a 15W head that holds a single module.

I bought the RM20 recently, so I'm selling this one, which is too big for the bedroom. It is a GREAT sounding amp, and there are many modules out there for sale to help you shape your own tone. The RM50 has room for 2 modules/channels. I took a picture of the side of the amp to show the biggest s...
