Talk together about good places to study and the best times of day to study. Then share Activity Four in the Study Skills: Study Environment printable. Working in pairs, with one student as recorder and the other as interviewee, students can plan and then draw their ideal studying environment.

Everyday Study Skills | Scholastic

Reinforce Study Skills at Home While your child may be able to do homework on her own now, it is unlikely that he will be able to take on the task of studying alone. Top strategies: Set up a quiet study area for your child. Plan a study schedule. It will keep both you and your child on track and prevent cramming the night before a test.
