Simpson examines the way in which indigeneity and sovereignty have been conflated with savagery, lawlessness, and smuggling in recent history. The national problem of indigenous smuggling is reconstructed here as it was portrayed in the public eye, largely via the media, and then through conflict-of-laws cases concerning the interpretation and application of the revenue rule.

...

Sovereignty and international law. Although the doctrine of sovereignty has had an important impact on developments within states, its greatest influence has been in the relations between states. The difficulties here can be traced to Bodin's statement that sovereigns who make the laws cannot be bound by the laws they make ( *majestas est summa in cives ac subditos legibusque soluta potestas* ).

## **Sovereignty - Sovereignty and international law | Britannica**

US Indian federal law, despite the limited recognition of sovereignty, treats Indian peoples as minors before the law – the coexistence of sovereignty and dependency is clearly anomalous. All the sovereign powers of Indian tribes may be removed by Congress.

Indigeneity and International Law After the Oslo Accords, the Palestinian leadership dropped much of its revolutionary discourse and adopted a narrative that followed the international law framework. The NGO-ization of Palestine and the focus on foreign donor agendas that emerged from Oslo has also led much of Palestinian civil society to use terms based in international law to articulate demands for rights.
