Wikipedia

Star Trek Voyager: The Farther Shore by Christie Golden is the direct sequel to Homecoming, and together the two books form a duology. They are more like one longer book that was split in two, however, and neither of them stand alone.

After several successful Star Trek series that reach farther into the future (TNG) and farther out into the galaxy (Voyager), it makes perfect sense to create a new series to fill in the backstory. There is so much to like I hardly know where to start.

The opening sequence
