The Human Predator A Historical

The Human Predator: A Historical Chronicle of Serial Murder and Forensic Investigation Paperback – March 6, 2007

The Human Predator: A Historical Chronicle of Serial ...

The Human Predator by Katherine Ramsland is a non-fiction book that traces the history of serial killers and forensic investigation down through the centuries. This book was a waste of time. The descriptions of the serial killer incidents are dry, brief, and shallow, while the forensic science parts read like excerpts from a textbook.
