The Jubilee Line Extension is the extension of the London Underground Jubilee line from Green Park to Stratford through south and east London. An eastward extension of the line was first proposed in the 1970s and a modified route was constructed during the 1990s. It opened in stages from May to December 1999.

Jubilee Line Extension - Wikipedia

The Jubilee Line Extension was one of the UK's biggest construction projects and the largest addition to the London Underground in more than 25 years. But it was severely behind schedule.

Problems with tunneling and signaling had plagued the project and inspections

The initial Jubilee Line opened on 1 May 1979, linking up the then most recent sections of Underground, the 4km (2.5 miles) of twin tunnels between Baker Street and Charing Cross, with the former Bakerloo Line branch between Baker Street and Stanmore. Approval for a further Jubilee Line extension was gained in March 1992.
