In a press conference at the University of Chicago, the U.S. Department of Energy (DOE) unveiled a report that lays out a blueprint strategy for the development of a national quantum internet, bringing the United States to the forefront of the global quantum race and ushering in a new era of communications. This report provides a pathway to ensure the development of the National Quantum ...

U.S. Department of Energy Unveils Blueprint for Quantum ...

The Lifeboat Strategy has always been a printed product. Because the world of asset protection tended not to change much, that worked well for a long time. Sadly, those days are over. Important new developments pop up on a monthly or weekly basis... and it's really hard to keep a printed product up to date.

The Lifeboat Strategy - 2020

The lifeboat strategy involves keeping only the important things in the boat that are necessary to keep the business running effectively while offloading anything that isn't crucial. Such a strategy should only be used as a last resort when you've exhausted all other options.
