Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit - including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject.

The Postcard

Storyline A post office clerk mistakenly thinks that a customer is trying to get her attention by writing open love letters on postcards he sends out. However, although he is trying to catch someone's attention with these missives, they are actually meant for another postal worker.

The Postcard (2007) - IMDb

The Postcard is not exactly what I expected. The story is well written, but really seems like it should have been written with a more adult protagonist. Much of the story contained references to literature and history that someone of this age wouldn't know, much less use. The story, however, is very good containing a larger message about life.

Read Book The Postcard

The Postcard by Tony Abbott - Goodreads

The Postcard deals with love and loss, war and peace, and over it all is the love of mothers. The action is set over several countries - Scotland, England, Egypt, Germany, Australia to name but a few. Within The Postcard fact meets fiction and is woven into a fabulous novel. The novel is told in the third person from several viewpoints.

The Postcard is a travel blog by an American expat living in Amsterdam and features itineraries, tips, and photos of her latest trips around the world.

The Postcard

Postcards, as we are familiar with them today, have taken a considerable amount of time to develop. First restricted by size, color, and other regulations, postcard production blossomed in the late 1800s and early 1900s. Postcards were popular because they were a quick and easy way for individuals to communicate with each other.
