The Official Real Book - Books

The Real Book refers to compilations of lead sheets for jazz standards. It usually refers to the first volume of a series of books transcribed and collated by Berklee College of Music students during the 1970s.. The name is derived from the earlier fake books that were in common use by professionals; those were often more geared to society and dance bands rather than jazz ensembles, and devoted ...

The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed, without any regard to copyright law, or royalties paid to the composers who created these musical masterpieces.
